

ANNEX 2

APPLICATION

FOR QUALIFICATION FOR REGISTRATION IN TENDERS FOR THE PURCHASE OF BALANCING CAPACITIES FOR FREQUENCY CONTAINMENT RESERVE, AUTOMATIC FREQUENCY RESTORATION RESERVE AND MANUAL FREQUENCY RESTORATION RESERVE

We hereby declare our willingness to register in the tender procedures for balancing capacity (marked with ☒) for:

- ☐ frequency containment reserve (FCR)
☐ automatic frequency restoration reserve (aFRR)
☐ manual frequency restoration reserve (mFRR)

If our application is accepted, the relationship between us and the other registered BSPs and between us and ESO EAD will be regulated in accordance with the Tender rules for procuring frequency containment reserve, automatic frequency restoration reserve and manual frequency restoration reserve (published on ESO EAD's website).
